**NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS**

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or other reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or other reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. The American Numismatic Society (ANS) reserves the right to refuse to accept a reproduction order if, in its judgment, fulfillment of the order would involve a violation of copyright law.

I have read the copyright warning above and believe that my request for use falls within "fair use" as defined by the copyright law. I further agree to request permission (and pay any fees) of the ANS Archives if I plan to publish, broadcast, or otherwise disseminate any material held by the Archives.
